ONBOARDING CONFIRMATION LETTER

Human Rights DAO – Project Catalyst Funded Initiative

Date: 21.7.25

To the Project Catalyst Review Committee,

I am writing in my capacity as Executive Director of Amnesty International Aotearoa New Zealand and the Human Rights DAO project to formally confirm as requested the onboarding of core team members for the Catalyst-funded initiative titled Amnesty International DAO and Human Rights Token Proof of Concept, submitted under **Fund 13 project number** 1300018.

Please see more details on our website landing page here: <https://amnesty.org.nz/dao/>

This letter serves as confirmation that the following individuals have been fully briefed on the scope of work, Amnesty values, deliverables, and operational protocols, and have agreed to join the DAO project in their respective capacities:

Confirmed Core Team Members

Name	Role	Status
Gareth Farry	Project Lead / Coordination / Research / Legal	Onboarded January 2025
Razali Samsudin	Stakeholder and Tech Architecture & Modelling	Onboarded January 2025
Daniel To / Jacqui Dillon	Amnesty Stakeholder Engagement / Regional Asia / NZ Amnesty leads	Onboarded March 2025
Jason Garman	Comms, Outreach & Story-telling	Onboarded June 2025
Sagar Dake	PhD candidate AUT University / Tokenomics lecturer.	Onboarded July 2025
Additional DAO Contributors	Community and Advocacy Regional Nodes	Ongoing

All team members have been briefed on the project's objectives, deliverables, and ethical framework, and have formally confirmed their engagement with the project. Our onboarding process includes face-to-face briefings, secure digital communications (including encrypted chats and internal call logs), and adherence to operational procedures informed by long-standing human rights organisational practice.

As an initiative aligned with Amnesty-affiliated methodologies, we operate under strict confidentiality, consent-based participation, and privacy-centric governance. Accordingly, internal records of onboarding and participation are securely maintained and compliant with our collective protocols and the spirit of privacy and integrity.

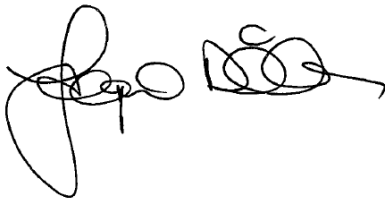

Each team member has been briefed on:

- The mission and purpose of the Human Rights DAO
- The ethical and strategic framework guiding our work
- The expectations of transparency, collaboration, and accountability as part of our commitment to the Cardano community.

In accordance with our organisational procurement and governance policy, we have conducted due diligence with three experienced DAO and token development teams. We will formally confirm and engage the selected development team upon receipt of Milestone 1 funding, ensuring alignment with both our strategic objectives and fiduciary protocols.

We respectfully confirm that all onboarding is complete, and the project team is fully operational.
