Kia ora Gareth

Thank you for the research phase and completing the whitepaper for milestone 1 of this important project. I see you have incorporated my feedback and the feedback from Regional Lead Daniel To into the paper now. It's great to see more detail on the attention economy aspects of the project and the inclusivity of incorporating multi language competence.

I have reviewed this final whitepaper and the project report and am happy to sign off both. I look forward to seeing further progress toward the MVP pilot later this year. Pass on my thanks to the Project Catalyst team.

Ngā mihi nui,

Jacqui Dillon
